DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This is an older, two-story frame house, that has been abandoned and sits on a commercial/industrial lot. The main (south) facade has three bays, with a central door. The door is framed by a heavy, pedimented portico. There are several wings to the north rear. Original sash appears to have been 6/6 (windows are now boarded up.) Asphalt shingle roof and asbestos shingle siding.

SPECIFIC DATES

BUILDER/ARCHITECT

STATEMENT OF SIGNIFICANCE

This house displays a Federal-style facade that belies its late appearance. It is no doubt a "goner", but it should be looked at more closely. Seems to have been the Joseph Tarman House on Hopkins' 1878 Atlas.
